

DATE: 8 Feb. 1973

TO: [REDACTED]

FROM: Herb Jenne *HJ*

SUBJECT: Review of NSA's Program

REMARKS:

I have consulted with my SIGINT people and find that my gut reaction to Mr. Tweedy's memo was right--Mr. Proctor should not use his time to become involved in the so-called Pre-Program Managers Review Group.

It would be useful, however, for [REDACTED] [REDACTED] to capitalize on the opportunity for access to the NSA data which will be revealed during the review. This will provide insight to the proposed shifts in SIGINT resources which might affect our production office interests.

I recommend that Mr. Proctor advise Mr. Tweedy that [REDACTED] [REDACTED] as Alternate, will represent CIA in the review.

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Pre-Program Managers' Review Group

Ed-

1. Sam Phillips has advised that the Pre-Program Managers' Review Group (Pre-PMRG) will meet 19-30 March. The PMRG itself will be on or about 4 April. (I am attaching Phillips' message.) As you will recall, the IC Staff has been sending representation there for the past couple of years and [redacted] will be there this year. In the past, IC has also represented CIA.

2. I would like to suggest to you that this year CIA should send its own representative. This would give CIA the opportunity to be informed on and influence CCP development on a co-equal basis with DIA and State and would at the same time increase the DCI's ability to exercise and display objectivity.

3. If you agree, I would recommend you make your own arrangements with NSA, probably through [redacted] Please let me know how you decide.
